that instrument providing—and wisely providing, as the southern people not only know but feel—that no person shall in time of peace be held to answer for a capital or otherwise infamous crime unless on a present not indictment or indictment of a grand jury, short time. Upon its action will depend.

triotic and safe platform," "covering every vital national issue that is to enter into the contest next year." That platform is as follows:

"Resolved, That we are in favor of the subject.—Dispatch.

"Resolved, That we are in favor of the subject.—Dispatch of the subject

protection as will give to domestic manu- day make-up, -State, factures a fair competition with those of foreign production. That there should be an immediate repeal of all laws imposing a direct tax for the support of the Govern-ment of the United States."

The Times adds that the party that declares in 1884 for a tariff that will produce a revenue sufficient for tion with those of fereign production," will win the presidential battle, unless its candidates shall be unworthy of public

the absolute repeal of the who that; Democracy dare not stop short of it."

At the same time all must admit that Mr. Randall has no equal in either party in the qualities which fit men for the office of Speaker.—Richmond Dispatch.

The Dispatch takes Randall's measure to

a dot. He is preëminently the best equipped man for the speakership of the House. He has the ability, the nerve, the experience, the audacity, the courage, the physical endurance. No other man whose name has been mentioned in connection with the speakership possesses all these qualifications. Blackburn comes the nearest, and but for a lack of that equilibrium which is so indispensible in the administration of the office he would tower above

and unstendy .- Greensboro' (N. C.) Patriot. RANDALL has all the qualifications catalogued by the Patriot, and the additional logued by the Patriot, and the additional one that he is in favor with the working classes. Not Virginia, nor West Virginia, nor any other State, could be frightened into voting against the Democratic party led by Ranball. Everybody has confidence in his wisdom.

A Without Property The Personal.

A WARNING FROM TENNESSEE.-The Nashville American, the leading Democratic paper in Tennessee, says :

"Gentlemen who are pushing the 'tarifffor-revenue-only' doctrine had better stop
and think. The Democratic party can't
stand this doctrine. Men who have not lost
themselves in an abstraction must see that
the American people will no more abandon
the doctrine of protecting their industries
and labor by discriminating in favor of
such industries as need protection in levy. such industries as need protection in levy-mg duties on imports than they would shut off the rainfall and resort to irrigation were it in their power to do so. The doctrine is founded in the soundest principles of po-litical economy."

PERSECUTIONS.—The Washington Post of Petuated?

and the protection of our American industries where such protection is necessary.

We favor so much protection to iron-men, cotton-manufacturers, and others, as is necessary to give them a fair and living chance with the outside world; but we would not be at all favorable to the importation of diamonds free of tariff duty, and tailon of diamonds free of tariff duty, and tailon of diamonds free of tariff duty, and tailon of diamonds free of tariff on woollenged to be at all favorable to the importation of diamonds free of tariff duty, and tailon of diamonds free of tariff on woollenged to be a substant of the system is even abolished, the Democratic party must do the work. Its death-blow must come from Democratic hands. The whole system is wished to be during the housest season.

BUTCHERS ARE INVITED TO KEEP MEAT IN IT WHILE ON TRIAL, AND GIVE IT A FAIR TEST.

These ICE-HOUSES are made in sections, and a 40 per cent, tariff on woollenged to be a same and a fraud. If the system is even abolished, the Democratic party must do the work. Its death-blow must come from Democratic hands. The whole system is even abolished, the Democratic hands. The whole system is even abolished, the Democratic party must do the work. Its death-blow must come from Democratic hands. The whole system is even abolished, the Democratic hands are provided to be a substant of the work. Its death-blow must come from Democratic hands. The whole system is even abolished, the Democratic hands are provided to the work is provided to be a substant of the work is provided to be a substant of the system is even and the substant of the system is even abolished. The behoutst season.

SUCCHERS ARE INVITED TO KEEP MEAT IN IT WHILE ON TRIAL, AND GIVE IT A FAIR TEST.

These ICE-HOUSES are made in sections, and it is a miserable, corrupt political machine.

A good platform, we repeat.

Richmond has, by a police census just takers, over seventy-one thousand inhabitants, against sixty-three thousand and six hundred according to the United States enumeration in June, 1880. At this rate she will closely approach one hundred thousand in 1890. What a city she would be with twenty-five feet water to the sea! And she might get that in three years.—

Birhmond Dispatch.

SUNDAY.......APRIL 15, 1883.

Grand Juries.

On the 27th of January last, in commenting upon an article in a western paper in favor of abolishing grand juries, we argued that there was a time when the writ of hobeas corpus had for years been so little used in this country that there was no little used in this country that there was no little used in this country that there was no little used in this country that there was no little used in this country that there was no little used in this country that there was no little used in this country that there was no little used in this country that there were no doubt in the community many persons who regarded it as of little or no value, but when war came, and unjust imprisonments followed unjustifiable arrests, because the officers of the law had been thrown off the pursue in regard to it.

The Exponent favors a tariff for revenue only. Then that paper is in favor of putched and the policy the person of the law had been thrown officers of the law had been t

and women too, found to be all that saved them from incarceration in falls and duageons, and with criminals of the worst chasses.

We said in the same article that the Constitution of the United States would have to be changed before grand juries could be dispensed with in the Federal courts, in any such tariff.

\*\*Heart Incomplete the constitution of the United States would have to be changed before grand juries could be dispensed with in the Federal courts, and women too, found to be all that saved them from incarceration in falls and duageons, and duageons, and with criminals of the worst on the united States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Supreme Court of the United States has proposal declared unconstitutional by the Sup

of peace be held to answer for a capacity of these who have proved so unwise and otherwise infamous crime unless on a presentment, or indictment of a grand jury. Secretary of indictment of a grand jury short time. Upon its action will depend that, after much tribulation, learned that grand juries are an indispensable luxury to freemen. The constitutional provision is as follows:

"No reerson shall be held to answer for a capital or otherwise infamous crime unless on a presentment or indictment of a grand jury," &c.

But the Evised Statutes of the United States provide that certain crimes not infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment. What is an "infamous may be prosecuted by either information or Indictment of the Indicator in the Nortal Landback at the burle of the kentled by either information or Indictment of a provide that certain crimes not information or Indict ment mation or indictment. What is an "infamous may be prosecuted by either information or indictment. What is an "infamous" crime? One for which the punishment is imprisonment in the penitentiary. Clearly, then, neither under the Federal Constitution, nor even under the laws passed by a Radical Congress in reconstruction times, can a man be prosecuted by infermation for an "infamous crime."

The Philadelphia Times copies in full the North Carolina Democratic platform, which we reproduced last week, as being "a pattern," "covering every vital national issue that is to enter into the context week, as with the substance of the provided platform," "covering every vital national issue that is to enter into the context week, and then to demand the positions. The sole plank in our platform is an our platform is an our platform, which we reproduced last week, as being "a pattern," "covering every vital national issue that is to enter into the context week, weak, as letting from the Sortolk Landmark authoritatively to be stricken out of the estimate of the debt.
